JINBA-ITTAI IS THE KEY CONCEPT AT THE HEART OF EVERY MAZDA

Every Mazda we create is designed around one thing, you. Our cars aren't just engineered to move you literally, but also emotionally. We call this Jinba-Ittai, meaning a sense of oneness between car and driver. Inspired by Japanese tradition, it symbolises the oneness between horse and rider, something entirely natural, like a true extension of your being that brings pure driving pleasure.
